"Figsno Preservative," the scientific preservative for fresh meats. Townsend-Oldham & Co.

### A HEROIC DEED

The Who Shows No Fear.

A position under a Father Thompson's name is being sought and the owner is in the well. ONLY the owner can assist. For terms the following statement from a Snyder resident has reflected the status of all years.

Mrs. W. S. Johnson, Snyder, says: "I believed that my kidneys were weak and out of order, caused, I think, by bad water. My back ached and I had other troubles as well. I used only one box of Don's Kidney Pills and they made a permanent cure. (Statement given January 17, 1912.)

### The Results Lasted

On November 8, 1915, Mrs. Johnson said: "I have never had any trouble with my kidneys since I recommended Don's Kidney Pills and I believe the cure is permanent. I gladly advise anyone to get a box of the Thompson Drug Co. if troubled by their kidneys."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Don's Kidney Pills—the same that Mrs. Johnson has twice publicly recommended. Foster-Milburn Co. Props., Buffalo, New York.

### Gaming Notice
